Dear Mercy House Supporter,

This year-round fundraiser from GB2S.org does not require you to volunteer, sell anything or ask anyone for money. Instead, it gives you and your business the ability to require the insurance company to donate annually on your behalf.

Unlike most fundraisers that make you spend more money, this is one where you usually spend less and still donate.

- You can often keep your existing insurance policy.
- There are no additional fees.
- The donations automatically renew with the insurance.
- All donations are in your family or business name.
- Most families and businesses are saving money every month.

Raising money often involves corporate participation, such as candy makers or restaurants. Why not get insurance companies to donate?

Also consider **My Mercy House Pledge:**

Pledge a portion of any insurance savings to Mercy House.

You are not required to pledge, but if Mercy House helps you save money, please consider giving some back.
